

Asad Ali

Software Engineer · Full-Stack Developer · QA Automation · DevOps & AI Automation Enthusiast

contact@asadali.dev | github.com/asad-ali-dev | linkedin.com/in/asad-ali-dev | Lahore, Pakistan

SUMMARY

Software Engineering graduate with hands-on experience across the full stack (React, Node.js, MongoDB) and test automation (Selenium, TestNG, Katalon). Comfortable owning a feature from UI to database, and just as comfortable writing the regression suite that proves it works. Currently extending that instinct toward DevOps and agentic AI tooling.

EXPERIENCE

QA Automation Intern · NexaQA Systems

2025 (3 months)

Freelance Full-Stack Developer · Self-employed

2024 — Present

Lab Demonstrator, Software Engineering Dept. · University of Central Punjab

2023 — 2024

EDUCATION

Bachelor of Science in Software Engineering

University of Central Punjab · 2021 — 2025

SKILLS

Languages	C++, Python, JavaScript
